

CRAPPIE

Contributed by NIMROD

Crappie are a God given gift.
Making fishermen's spirits lift.

Every fish you land.
Is like a touch from his hand.

Thank our wonderful Lord
For the bounty his water does afford.

Try to live and fish .
Remembering the Lord's wish.

So when we are reeled in .
He will find us without sin.

May he find us a keeper.
When we meet the reaper.
