

## Or just enjoy the weather

Contributed by Nicole A.

People go fishing  
While they are wishing  
For some relaxation  
Instead of all the daily frustrations.  
It's time to get away  
So others don't pay  
For all the irritations  
Because it's like a mini vacation.  
All you need is a fishing pole  
And to put your heart and soul  
Into what you do  
Just like the person you woo.  
It's a time to think  
Or a time to link  
Everything together  
Or just enjoy the weather.
